Re: Sidewalk Vending Community Meetings

On December 2, 2014, the Los Angeles City Council, Economic Development Committee discussed Motion (Price-Huizar; C.F. 13-1493) regarding the potential implementation of a sidewalk vending program in the City of Los Angeles. Members of the Economic Development Committee have requested additional community input to assist with the decision-making process associated with sidewalk vending and vending in parks. I have instructed the Office of the Chief Legislative Analyst to conduct community meetings on behalf of the Committee.

These meetings will take place on the following dates, times and locations. I respectfully request that you inform your respective community members, including Neighborhood Councils.
